* There is one conference day listed, usually it's a one extended day and then one evening, to equal one make-up day, per notes tab - 2 conference days are in the contract.
 * PD Implementation Days allow staff to analyze data from previous quarter and implement strategies learned during PD to prepare for upcoming quarter. No meeting obligations or requirements will be set during these days. This time will also allow for conferencing with parents.
 The specific date guidelines for these days will be determined at each building level after a discussion between staff and administration.*
 *The Teacher Work Day at the beginning of the year will allow all teachers a minimum of 3 hours in their rooms. All student schedules will be finalized and distributed at the beginning of the Teacher Work Day.
 * Kindergarten staggered start will consist of two days of transitioning one-half of each classroom at a time, the first half of each class will attend the full day on Wednesday, August 21, and the second half of each class will attend the full day on Thursday, August 22. All Kindergartners will attend beginning Friday, August 23.
 * Open house will be mandatory and will count as the remaining time needed for the second conference day. This will follow the safety training day and will allow for flexibility in start time. More to come closer to next year.
 * Graduation will either be Sunday, May 24 or Sunday, May 31, as decided by the high school PEA members.
